General Information

Our Unit portrays the 46th Mississippi Infantry, CSA.
When asked or as needed, we portray our counter-part the 2nd Kentucky Infantry, US.
It is encouraged but not mandatory that members attend all of our scheduled events.

Our members take part in Reenactments, Living Histories, and Confederate Memorial Services.
This is a hobby and meant to be fun for us as well as the spectators that come to watch us.

We are a family oriented group and encourage members that so desire, to get their families involved with our activities.

Generally, we try to schedule one reenactment a month during the fall and spring.
Usually, at least one Fall and one Spring event are designated as "Maximum Effort" events, where we try to get as many of our members as possible to attend.

Over the summer we hold drill a couple of times, just to keep in practice. A company meeting is held in August, where we elect officers for the coming year, and we hold another company meeting or Christmas Party in December to make plans for the Spring Campaign.
